HIV/AIDS is still a disease
surrounded by ignorance, prejudice,
discrimination and stigma. Training
by Malawi Matters is a milestone.

**CREATIVE
METHODS OF
HIV/AIDS
EDUCATION.**

December 1 is Giving Tuesday. We invite you to support Malawi Matters' efforts in the warm heart of Africa by donating the gift of education. Every gift made to MMI helps us to educate key village leaders about HIV and AIDS cause, prevention and care so that they, in turn, can teach others life-saving strategies.
